

St Philip Howard Catholic School

March 2019

Appointment of Teacher of Mathematics

NQT MPS/UPS, TLR points available for suitable candidates

Thank you very much for your interest in the post of teacher of Mathematics. The Maths department is a strong and supportive team, results are excellent (over 80% + A*-C in the last 5 years) and continue to improve. Take up at AS and A2 is high in both Maths and Further Maths and KS5 results are outstanding. We are now looking to appoint a teacher of maths to join our growing team. There is the potential for responsibility points and opportunities to collaborate with teachers across the Bosco Catholic Education Trust, including working cross-phase with our primary schools.

Having arrived at the school in September 2012 I have been extremely impressed by the attitude of the students. They really are the best advert you could wish for a school. Staff are hardworking, committed, caring and supportive of one another. Above all, SPH is a happy community.

You would be joining the school at an exciting time of development as we strive to 'push on' from our Ofsted 'Outstanding' judgment in April 2016. We pride ourselves on the strength of our faith community, personal care of each individual and our desire to walk that 'extra mile'. If successful in your application, you would be joining a great school, but with opportunities to make your mark and fulfil your potential as a teacher and school leader.

Please feel free to contact me (dcarter@sphcs.co.uk) or the Head of Department, Matt Hine (mhine@sphcs.co.uk), if you have any questions or would like to come and see us in action! We hope you will apply and look forward to meeting you.

Yours sincerely

David Carter
Headteacher

(Please see following page for key dates and method of application)

Elm Grove South
