

# PUPIL PREMIUM – STATUTORY INFORMATION (JANUARY 2017)

## Background

The pupil premium is additional funding provided to schools by the Department for Education according to the number of children from low-income families who are or have been eligible for Free School Meals (FSM) in the last six years, children who have one or more parents in the services and children who have been looked after continuously for more than six months.

Schools are free to spend the Pupil Premium as they see fit. However, schools are to be held accountable for how the Pupil Premium has been used and new measures will be included in the performance tables that will capture the achievement of the pupils covered by the Pupil Premium.

## Funding

Pupil Premium Funding is used to raise attainment, promote social skills, independent learning and positive behaviour in order to increase pupil progress of those most disadvantaged. In 2017-2018, the Pupil Premium allocation to SPH is £86,130 and is worth £935 per student (£300 per service child). In 2016-17 SPH's allocation per student was £900 and total expenditure on qualifying students was £71,995.

## PERFORMANCE OF PUPIL PREMIUM STUDENTS

The percentage of Pupil Premium students and the number of Looked After Children (CLA) per year group are shown below.

	Year 7	Year 8	Year 9	Year 10	Year 11
Number on roll	185	153	155	156	150
% Pupil Premium	11.9	17.7	13.6	10.9	11.9
Number of CLA pupils	3	2	2	2	3

There were 16 Pupil Premium students in the year 11 cohort in 2017.

Their outcome measures would indicate that the support strategies in place were effective in ensuring good attainment and progress, although we continue to work hard to reduce in school variation between non-pupil premium students and pupil premium students.

Measure	SPH Non Pupil Premium (NPP)	SPH Pupil Premium (PP)	National Non Pupil Premium (NPP)	National Pupil Premium (PP) (2016)	SPH PP v National PP	SPH NPP v National NPP
Attainment 8 score	52.3	48.8	49.5	41.1	+7.7	+2.8
Progress 8 score	+0.42	-0.11	+0.11	-0.38	+0.27	+0.31
Value Added Progress in English	+0.77	+0.11	+0.11	Not available	Not available	+0.66
Value Added Progress in Maths	+0.37	+0.20	+0.12	Not available	Not available	+0.25

## Use of Pupil Premium

The use of the Pupil Premium last academic year was effective as the performance of Year 11 students (cohort of 16) in the 2017 GCSE examinations demonstrate. Disadvantaged students achieved well above national averages for achievement English and Maths. From September 2017 the Pupil Premium will continue to be spent in an integrated way to ensure that entitled students receive the opportunity for additional support.

## Pupil Premium Spending Priorities 2017-18

Funding is being used to support the following planned interventions:

Interventions	Cost
One-to-one tuition in Mathematics	£16,927
English language support	£6,985
One to one mentoring and additional teaching assistant support	£14,259
Professional coaching and counselling.	£23,469
Establishment of educational clubs and equipment	£582
Support for educational travel and visits	£1,397
Access to enrichment activities and travel costs	£1,745
Revision clubs during Easter holidays and May half term	£2,328
Homework clubs	£3,201
